# Family Support Hub

The Family Support Hub brings together representatives from community, voluntary and statutory organisations who deliver services for children and families. The members of the Family Support Hub are from local services and can connect families to services when needed.

Support is provided for families up to 12 weeks. Some of the areas where support can be provided are:

## Who can make a referral?

- GP or other health professional
- Teacher
- Health Visitor
- Someone working on your behalf
- Local Community Groups
- Gateway

## A referral can be made for:

- Families with children aged 0-17 years' old
- Support required is short-term
- No social work service currently involved with the family
- Referral must be signed by the parent/carer or young people if they are over 16 years' old

There are some programmes and services listed in this directory that are also available through the Family Support Hub.

# RESURGAM HEALTHY LIVING CENTRE

69 DRUMBEG DRIVE, LISBURN, BT28 1NY

We're a partner in the **RAPID Initiative.**

**RAPID (Remove All Prescription and Illegal Drugs)** is a community-led initiative supported regionally by the PSNI and Public Health Agency, and locally by Drug and Alcohol Coordination Teams and Policing and Community Safety Partnerships.

**RAPID** raises awareness of the risks and harms to individuals, to families and to communities of using and misusing drugs.

In support of this initiative we have agreed that a RAPID drug disposal bin can be sited in this establishment. This allows for members of the public to dispose of unwanted drugs (prescribed and/or illegal/illicit) safely.

For more information on RAPID please visit [www.drugsandalcoholni.info/rapid](http://www.drugsandalcoholni.info/rapid)

Together, making our community a **safer place to live.**
