Dear Manager,

Resurgam Healthy Living Centre (rhlc) Community Fridge

The rhlc Community Fridge based at Laganview Enterprise Centre is now open, and we would really value support from your business.

The aim of the Community Fridge is to fight food waste and support local people. It does this by collecting leftover food from businesses, then making it available to local residents and community groups. This includes individuals with limited access to affordable fresh and nutritious food.

The Community Fridge is housed in a dedicated room at the rear of the rhlc and accessible through the back car park of Laganview Enterprise Centre ([Laganview Enterprise Centre – Laganview Enterprise Centre](#) BT28 1QJ). Our fantastic team of volunteers collect donations every day/night of the week. This means we can open at 11am until 2pm on Wednesday and Saturdays every week.

Strict monitoring guidelines based on advice from the Food Standards Agency and Lisburn and Castlereagh City Council's Environmental Health team ensure the fridge operates to the highest quality standards. We have received 5-star rating. If you would like to clarify any issues regarding donating to the fridge from a food safety perspective including associated legislation please contact Mr Robert Lamont, Environmental Health Manager with Lisburn and Castlereagh City Council on 028 92447397.
